**Presentations:**

**“Affordable Housing – One of the Most Important Community Issues Facing Colorado Communities Over the Next 20 years”**

*By Kathi Williams, Director – Colorado Division of Housing and Co-Chair of the Blue Ribbon Panel*

Ms. Williams will speak to the report from the Blue Ribbon Panel, a culmination of a statewide 13-month study, and the first step in a larger effort to address affordable housing in our state.

**“Working More Effectively With Realtors”**

HomeSold, Inc. is a Real Estate Affinity service provider that has organized a network of real estate agents across the nation, hand-picked for their knowledge, experience and commitment to quality service and regardless of their broker affiliation. You can offer your members the convenience of a “one-stop shop” in the form of an immediate referral to a qualified agent, and be confident that they will receive professional and responsive service.

HomeSold will provide an agent panel to address the current real estate market, foreclosures in Colorado and welcome any requests for topics of discussion. Please e-mail topic requests to: [svansickler@redrocks.org](mailto:svansickler@redrocks.org).

**Lunch will be provided by HomeSold**
